before she started going to school (college) she started dating this guy John ~~get~~ when he was working at Rock-n-Road as a runner then he started going to college at A&M & I have never seen him after that but I ~~just~~ talked to her about three weeks ago. and she was telling me that they were still dating & it was going good & she was going to visit him that next day. Melissa is a good person and she would not be gone this long without calling she calls all the time so her mom and dad won't think or find out how she is, so she will call to cover her butt. well that is all that I know.
